DATE: 5/10/2016

SUBJECT: Request to approve the Memorandum of Understanding (MOU) with the Student-Community Liaison Committee. All Districts.

RECOMMENDATION

It is recommended that the Board approve the MOU between the County of San Luis Obispo and the Student-Community Liaison Committee.

DISCUSSION

The Student-Community Liaison Committee (SCLC) was formed in the spring of 1987 to address issues regarding the community and Cal Poly students. It was envisioned that the chair should be the Cal Poly student body president to demonstrate parity between students and city officials. In 1988 SCLC was expanded to include representation from Cuesta College. Thanks to the support from a number of areas (City Departments, Chamber of Commerce, Residents for Quality Neighborhoods and other Cal Poly organizations), SCLC was acknowledged as a key link in communication between students and the City & County of San Luis Obispo.

The term of this MOU shall be from January 1 through December 31, and will be automatically renewed annually for the period of January 1 through December 31 unless written notice of either party is given requesting termination.

The purpose of this MOU is to define the relationship between Associated Students, Inc., the Associated Students of Cuesta College, the City of San Luis Obispo and the County of San Luis Obispo as represented by the SCLC.

Voting members shall include representatives from Cal Poly, Cuesta College, City of San Luis Obispo, County of San Luis Obispo, and Residents for Quality Neighborhoods. The responsibilities of the County under this MOU are:

- Provide at least one Supervisor, or representative from his/her office, whose district includes the City of San Luis Obispo
- Provide other County staff as available through the office of the participating Supervisor
- Participate in education of community about improving student/community relations.
- Contribute \$500 annually to the SCLC budget

OTHER AGENCY INVOLVEMENT/IMPACT

City of San Luis Obispo, the Associated Students of Cuesta College, the Associated Students of California Polytechnic State University.

FINANCIAL CONSIDERATIONS

The Board's budget has sufficient funds for this project.

RESULTS

This Committee serves as a mechanism for communication between Cal Poly State University, Cuesta College, the City and County of San Luis Obispo and community organizations, and to proactively engage in discussions and actions to promote positive relations, mutual respect and improved quality of life for all citizens of San Luis Obispo County.
